Sir,

I send you herewith as a sample of the grievance of the Sub Assistant Surgeons as a class.

2. It is so difficult to get men for this branch of our Medical Service and many of those that join resign very soon after entertainment. So many as 13* have accepted ser-
Of these the services of three } vice and resigned shortly after accept-
were dispensed with. } ing.

3. In the Madras Presidency as I have repeatedly been writing to Government in my several references on the subject, a house rent of not less than 8 Rs per mensem is granted and here we levy a house rent of 10% on the pay of these poor subordinates.

4. If some generous concession is not shewn to Sub Assistant Surgeons and Midwives in the matter of grant of a house rent till free official residential quarters are granted them, I am afraid that many dispensaries will have to be closed for want of Sub Assistant Surgeons and many places remain without a Midwife.

non-technical services where applicants for places crowd in ²
numbers. Trained medical subordinates and Midwives are not
available in numbers wanted for the several charges.

We can get scores of men as applicants for Assistant
Surgeons grade and should the Government be prepared to spend
enough of money on them I can man all the dispensaries by As-
sistant Surgeons- Sub Assistant Surgeons are not as easily
got and necessarily therefore some special concessions should,
I think, be granted, them to make the service attractive.

Senior Surgeon, Mysore Government.

Letter No. 399 dated 28-4-13 from Sub Assistant Surgeon A.Ponnusawmy Pillay of Huliya, to the Senior Surgeon, Mysore Government.

In forwarding herewith a copy of my letter No. 396 of 20-4-13 to the District Medical and Sanitary Officer, Tumkur, and his reply thereon No. 1675 of 24-4-13, I respectfully beg to bring to your notice with regret that I am now put to greatest inconvenience and difficulty from want of all ordinary human comforts and nay even a house to live in here, and that I am not in any way being consoled by the reply given by my superior to my letter herewith attached for your kind perusal, although he was extremely kind enough to place me in independent charge of Chickanaikanhalli Taluk Dispensary at first and then to this station owing to his own reasons.

I therefore humbly request you will be so good as to go through my letter No. 396 of 20-4-13 herewith appended and pity all my difficulties in a strange place like this and transfer me to any good station at your earliest convenience where I can permanently settle myself once for all with my family for 3 years and render justice to my duties, as kindly promised by you in your letters No. 3927-29 of 10th March 13 and 4135 dated 24-3-13, instead of temporarily doing duties here and there at heavy expenses.

Letter No. 396 dated 20-4-13 from Sub Assistant Surgeon A.Ponnusawmy Pillay to the District Medical & Sanitary Officer Tumkur.

I beg to report for your information that I have taken over charge of the Huliya L.F.D. on the 18th forenoon and not occupied the wards up to this as done by my predecessor which I have intimated to the Sub Overseer D.P.W. As I learn that I have to pay the Government Rs 7 per mensem according to my salary in case I were to occupy the same.

2. In my letter dated 3-3-13 to the Senior Surgeon, Mysore Government I have clearly mentioned that I was getting

4

in the Pallapally Rubber Estate a decent salary with furnished quarters (free) &c., and that I should not undergo any loss by resigning my post, and accepting the billet in the State; whereas I am now put into greatest inconvenience and difficulty from want of a house to live in here, and nay even compelled to pay heavily for a portion of the dispensary buildings under unavoidable circumstances, which is though under my command. I therefore humbly request you may be pleased to consider my difficulties and recommend me to the Senior Surgeon for a permanent transfer for 3 years to any large Hospital or major dispensary in any of the districts earlier, where I can get a comfortable house to live in with my family as I am at present quite unable to pay heavy rent in a village like this where I cannot find any means to meet both ends together.

Memo No. 1675 dated 24-4-13 from the District Medical & Sanitary Officer, Tumkur, to Sub Asstt Surgeon A.Ponnusawmy Pillay.

His letter No. 396 dated 20-4-13.

He is informed that very few dispensaries in the Province are yet provided with quarters for the Sub Assistant Surgeons in charge and where they are already provided a rent is levied by the Deptt of Public Works at 10 p.c. on the salary of the Sub Assistant Surgeons occupying them.
